

GENUINE PARTS & ACCESSORIES

Scooter & Gearbox 2009

At Yamaha the goal we have set ourselves is to create scooters which encourage riders to grow and develop. So as the riders' skills and ambitions progress, the scooters are always ready, capable and dependable.

We go even further, by offering you a wide range of accessories for your scooter, motivating you to personalise your scooter to your own lifestyle.

The secret to the universe. Lost keys. Lasting style. Nothing worth having is easy to find. But look harder and you shall see. Yamaha tech has a special originality that frees the body from the ordinary. Classic styling and originality that will not date. That will not stop performing until the performance is over. Technical masterpieces of understated cool. High-tech at the cutting edge of casual. Want something that suits your unique personality? That fits YOU perfectly? We have the Yamaha technology. Only a few released into the world.
