

PRODUCT CATALOGUE N° 038
APRIL 2020

KEY

RACING

Not street legal
(for closed circuit use only)

Fitment - The continuous line means that it is necessary to fit all the components

Option for fitment - The dotted line means that it is not needed to fit all the components

Dir. 97/24/EC ch. 5 (EU)
(measures to be taken against air pollution)

Dir. 97/24/EC ch. 9 (EU)
(permissible sound level)

Meets present standards referred to air pollution and permissible sound level #.

Reg. 134/2014 ann. 10 (EC-UE) - EURO4 *
(measures to be taken against air pollution)

Reg. R92.01 (ECE-ONU) - EURO4 *
(permissible sound level)

Meets present standards referred to air pollution and permissible sound level #.

* **NOTE** Homologation certificates are valid only for vehicle types specified on this catalogue and updates

NOTE Meeting the standards above is guaranteed only if:
- the original catalytic converter is not removed
- when fitting an Arrow silencer and catalytic converter approved following the standards referred above.

Meets **CARB** directive
(California Air Resources Board - www.arb.ca.gov)
This product is considered "replacement part" as per CARB requirements only when the original catalytic converter(-s) are not been modified or replaced and when no modifications are made on ECU settings and to exhaust sensors.
No Executive Order has been granted to or has been required by Arrow Special Parts S.p.A. nor to its subsidiaries or authorized representatives.
