KEY

5

Dir. 97/24/EC cap. 5 (EU) *
(measures to be taken against air pollution)

EC

Reg. R134/2014 ann. 10 (EC-UE) - EURO4 *
(measures to be taken against air pollution)

9

Dir. 97/24/EC cap. 9 (EU) *
(permissible sound level)

ECE

Reg. R92.1 (ECE-ONU) - EURO4 *
(permissible sound level)

9 e 5

Meets present standards referred to air pollution and permissible sound level. *

**EC
ECE**

Meets present standards referred to air pollution and permissible sound level. *

* Meeting the standards referred above is guaranteed only if the original catalytic converter is not removed or when fitting an Arrow silencer and catalytic converter approved following the standards referred above.

CARB

Meets CARB directive (California Air Resources Board - www.arb.ca.gov)
This product is considered "replacement part" as per CARB requirements only when the original catalytic converter (-s) are not been modified or replaced and when no modifications are made on ECU settings and to exhaust sensors.
No Executive Order has been granted to or has been required by Arrow Special Parts S.p.A. nor to its subsidiaries or authorized representatives.
